

> Measure the size of your finger and order your ring on [www.yourmood.net](http://www.yourmood.net)

- ① After having printed the sheet, please verify that the control panel measures exactly 10cm. Should this not be the case, please check your print settings.
- ② Thereafter, please cut out the measure following exactly along the dotted lines.
- ③ Wrap the paper tightly around your finger. Find your size revealed at the end of the measure. You can now order your ring online by specifying the size of your finger in the order.
